

Free Information day on achieving an A+ rated home.

Aimed at Builders, Self Builds and Designers.

Locations: Kilkenny Ormonde Hotel, Ormonde Street, Kilkenny
Thursday July 2nd 2009 9.00am – 1pm

Mullingar Park Hotel, Dublin Road, Mullingar
Friday July 3rd 2009 9.00am – 1pm

Speakers:

Bill Quigley - Nutech Renewables.

Award winning specialist in renewable technology! Bill has been involved in designing many landmark Low Energy / Low CO2 houses throughout Ireland. He has been asked to speak before on this topic by the European Commission and has delivered papers in most of the member states.

Niall Crosson - Ecological Building Systems.

Technical Engineer M.ENG.SC.B.TECH.MIEI. Airtightness is now the norm in new Low Energy Houses. Niall will share his many years of experience specialising in Airtightness and Moisture Control. Niall has been involved in many airtight projects in Ireland and his advice is highly sought after from many bodies in the construction business.

Micheál Galvin - Envirobuild and Associates Ltd.

MSc(Tech), BSc(Eng), HDipEE, C.Eng, MIEI. Micheál currently manages his own Mechanical & Electrical Consultancy practice. Typical services include the design and specification of Insulation, ventilation & renewable energy solutions for residential developments and commercial projects. He also carries out dynamic software simulations of the built environment. Micheál has a particular interest in applying innovative approaches to the energy & ventilation requirements of projects. Extensive experience has been gained from projects carried out in USA, Japan and Europe.

John Keenan - Ktf Housing.

John is co-founder and sales director of Ktf Housing Ltd. With the introduction of Low Energy / Air Tight homes, Ktf have developed their next generation Timber Frame called 'Future Frame'. John will explain this system and show the benefits to designers & builders that Semi Closed Airtight Panels help take the time, effort and waste that can occur on site and bring it back into a controlled factory environment.

We would like for you to attend but places are on a first come first served basis. Please fill in the number of places you would like to book and fax back to 041 6850979 or e-mail to info@ktf.ie
